WIPE amateur festival

Dear Emir,

We're thrilled to let you know that your film has been selected for this year's edition of the WIPE Berlin Amateur Film Festival!

The festival will take place on November 14th at Flutgraben, Berlin, and we'll be sharing more details about the event very soon. It would be wonderful if you could join us in person that evening. We'd love to meet you and celebrate your work together.

In the meantime, please allow us to download your film directly from FilmFreeway, or, if you submitted via YouTube or Vimeo, send us a downloadable link to the file. To keep things running smoothly, we kindly ask that the file size isn't too large.

Thank you again for being part of WIPE! We can't wait to screen your film in Berlin!

Best,
The WIPE Festival Team
